

**Korean Six Energies**

**Course Description**

Korean Six Energies is the practice of Sa Am Acupuncture, a unique Korean style traditional acupuncture. Also called "Five Phase Acupuncture" or the "Korean Four-Needle Technique", this practice was founded over 400 years ago by the hermit monk Sa Am. The Korean Six Energies herbal formulation method treats illnesses by tracing the fundamental cause of the disease.

**OLD Learning Objectives**

To learn the theory behind Sa Am Acupuncture style and the Six Energies; to gain an understanding of how to apply these methods to various ailments and learn to practice these techniques.

**Special Notes**

**Professionalism and Full and Prompt Attendance:** To pass any course (separate from academic performance) all students must meet requirements for professionalism in coursework. Professionalism includes full and prompt attendance: students who miss more than 2 class meetings in a 10-week course will earn an F in that course. Additionally, students who arrive more than 15 minutes to class or leave class before it ends will be given ½ absence towards attendance. NOTE: Students who leave and return to class late from a break or leave during the class (especially if this is repeated) or who disrupt the class in other ways may earn an F in that class and/or be referred to the Academic Dean for professionalism.

**Week**

---

*one* Introduction: Yin-Yang and Five Elements theory in Yi Jing and Neijing. Explanation of the Nanjing.

**Korean Six Energies**
