
COURSE DESCRIPTION

A study of the basic principles of nutritional science, including the classic nutritional deficiencies, the roles of nutritional components in various stages of the life cycle. Additional course topics include applications to community nutrition and health care. The functions of specific nutrients including their sources from dietary elements are presented

LEARNING OBJECTIVES

- Learn the basic nutritional principles of macronutrients
- Understand the role of essential nutrients in physiology and health
- Understand the importance of food quality

COURSE PREREQUISITES

Biochemistry

REQUIRED TEXTS

Dr Thornton's Lecture Notes - Student's Guide to the Lectures (join class website for notes)
free online, download: groups.yahoo.com/neo/groups/ECTOM-BasicNutrition/info

RECOMMENDED TEXTS

Basic Nutrition and Diet Therapy, Sue Rodwell Williams, Mosby
Understanding Nutrition, Whitney & Rolfes, Wadsworth
Krause's Food, Nutrition and Diet Therapy, Mahan, Escott-Stump, W.B. Saunders

COURSE REQUIREMENTS

Out-of-Class Work

To successfully complete the program, students need to plan studying a minimum of 2 hours out-of-class for each academic in-class hour; and half an hour out-of-class for each hour of clinical training.

50% - Mid-Term Examination

50% - Final Examination (10th week)

Assignment: Food Diary for 1 week. Due week 10

A minimum score of 70% in the Midterm Exam and 70% in the Final Exam is required to pass the exam and the course.

GRADING SCALE: 100-90% A, 89-80% B, 79-70% C, 69% and below F

SPECIAL NOTES

Professionalism and Full and Prompt Attendance: To pass any course (separate from academic performance) all students must meet requirements for professionalism in coursework. Professionalism includes full and prompt attendance: Students who miss more than 2 class meetings in a 10-week course will earn an F in that course. Additionally, students who arrive more than 15 minutes to class or leave class before it ends will be marked tardy. Two tardies equal one absence. NOTE: Students who leave and return to class late from a break or leave during the class
