

Spring Quarter Welcome Message from your Dean

Dear Members of the Emperor's College Community-Students:

Gong Hai Fat Choi! Gong Xi Fa Cai! Sae Hae Bok Mani Ba Deu Se Yo! Chuc Mung Nam Moi! Happy Losar! Happy Lunar New Year!

We are now one month away from the Lunar New Year of the Earth Dog. The Year of the Earth Dog brings with it much symbolism and excitement. It represents loyalty, honesty and responsibility. In ancient times if a stray dog approached a house it would bring good luck. Throughout Asian culture, it is recommended in this first week (starting February 16th) of the new year to wear gold and red colors in celebration of upcoming prosperity and abundance. I hope that each of you will enjoy and make the most out of opportunities that may come your way in this year.

Spring Quarter, 2018 will bring new and exciting clinical as well as classroom experiences. Dr. Helena Zhang will be teaching Chinese Internal IV--she is the co-author of "Chinese Internal Medicine." (This book will be published by "People's Medical Publishing House," Beijing, China in the Spring-Summer of 2018). We are very pleased to have a new instructor teaching Zangfu I this Spring quarter, Dr. Badami!

A special thanks to Dr. Ji Zhang for continually sharing his expertise and teaching in the past decades. He will be retiring from supervising interns in the clinic, but will continue to teach selective classes in the MTOM and DAOM programs. The blocks with Supervisors Jae Hoon Kim, Atsuki Maeda, Benny Lin, David Twicken, Michael Apelian, Robert Newman, Ear Clinic, and Externships are filled through the special registration process--[Concentrations: Classics, Korean, Japanese, East/West Bodywork]--please check with Dean of Clinical Education Robert Newman if you are interested in of these.

Additional good news!

I am pleased to announce Emperor's College's dedication to continue embracing all aspects of Oriental Medicine and East West Bodywork. This Spring quarter, we are offering a wide variety of elective offerings in numerous Concentrations (see below), including the newly-revised class in East/West Spices and Herbs! These course descriptions as well as their prerequisites will be posted next week on the student announcement board across from room A. Due to the overwhelming response to our Concentrations, we will have an information session in February. Please do not hesitate to contact the Academic office for any additional questions prior to registration.

El258- Flying Phoenix Qi Gong [Nei-Gong]-Terence Dunn
EL536- East/West Spices and Herbs [East/West Nutrition]-Sergei Shaginyan
El181- Japanese Acupuncture [Japanese]-Atsuki Maeda
El319-Korean Six Energies [Korean]-Jae Hoon Kim

Schedule Published

The schedule will be published on www.emperors.edu tomorrow, January 17, at 5pm. To find your assigned registration day and time, check on the library computers in February.

Registration Counseling

I recommend that each of you check in with our Associate Dean, Bruce Gustafson, or myself, to get an update on just where you are in your program and to be sure you are planning your course schedule in accordance with the prerequisite requirements and any of the Concentration tracks. Please contact Marcia to set a time for counseling. The recommended course sequence can be found at: www.emperors.edu/masters-program/current-students/calendars-and-schedules.

Yours in Optimism,
Jacques MoraMarco, DAOM, OMD, LAc.
