

Spring Quarter Welcome Message from your Dean

Dear Members of the Emperor's College Community-Students:

Gong Hai Fat Choi! Gong Xi Fa Cai! Sae Hae Bok Mani Ba Deu Se Yo! Chuc Mung Nam Moi! Happy Losar!
Happy Lunar New Year!

We are now less than two weeks away from the Lunar New Year of the Earth Boar. The Year of the Earth Boar brings with it much symbolism and excitement. It represents honesty, sincerity and generosity. In some areas of South East Asia it is replaced by the deer or elephant. In China it is the Pig. Throughout Asian culture, it is recommended in this first week (starting February 5th) of the new year to wear gold and red colors in celebration of upcoming prosperity and abundance. I hope that each of you will enjoy and make the most out of opportunities that may come your way this year.

Spring Quarter, 2019 will bring new and exciting clinical as well as classroom experiences. Dr. Jin Kim will be teaching Korean Constitutional Medicine (This class is open to all students who are also interested in Korean Herbal Medicine as per individual Constitutions). We are very pleased to have a new faculty Dr. Kyung Kim L.Ac., D.V.M.(Korea) joining us this Spring Quarter. He will be both in the clinic and classroom. Furthermore, Dr. Hu brings her long time experience in the CMR class.

A special thanks to Dr. Ji Zhang for continually sharing his expertise. He will be teaching TCM Dermatology. The blocks with Supervisors Jin Kim, David Twicken, Michael Apelian, Robert Newman, Ear Clinic, and Externships are filled through the special registration process-[Concentrations: Classics, Korean]--please check with Dean of Clinical Education Robert Newman if you are interested in of these.

Additional good news!

I am pleased to announce Emperor's College's dedication to continue embracing various aspects of Oriental Medicine. This Spring quarter, we are offering a wide variety of electives in numerous Concentrations (see below), including the newly-revised *Korean Constitutional Medicine*! These course descriptions will be posted next week on the student announcement board across from room A. Due to the overwhelming response to our Concentrations, we will have an information session Tuesday February 5th from 12 to 12:30. Please do not hesitate to contact the Academic office for any additional questions prior to registration.

El 671- Eight Extra Ordinary Vessels [Classics]- David Twicken

EL866- Mind Body Medicine [Nei-Gong]-Sergei Shaginyan

El 641-Korean Constitutional Medicine [Korean]-Jin Kim-*New*

Schedule Published

The schedule will be published on www.emperors.edu today, January 24, at 5pm. To find your assigned registration day and time, check on the library computers in February.

Registration Counseling

I recommend that each of you check in with our Associate Dean, Bruce Gustafson, or myself, to get an update on just where you are in your program and to be sure you are planning your course schedule in accordance with the prerequisite requirements and any of the Concentration tracks. Please contact Marcia to set a time for counseling. The recommended course sequence can be found at: www.emperors.edu/masters-program/current-students/calendars-and-schedules.

Yours in Optimism,

Jacques MoraMarco, DAOM, OMD, LAc.
