

## *A Summer Quarter Welcome Message from the Dean*

Dear Members of the Emperor's College Community:

As we approach the summer solstice the Yang is at its maximum, and so are our amazing Concentrations! We have some very exciting news in our Nei Gong Concentration! We will have an Info Session in May—be on the look-out for an e-mail about this after midterms.

Dr. Thom Nguyen, Senior Western Medicine Department Faculty Member, will be retiring from didactic teaching in the MTOM program at the end of the Spring Quarter, 2019. He will however continue supervising in our clinic and teaching in the DAOM program. Emperor's College would like to express heartfelt thanks for all the hard work and expert teaching that he has provided to our MTOM students over the past 23 years! We look forward to his continued excellence in the clinic and in our Doctoral program.

Speaking of our amazing faculty, a special thanks to Dr. Kyung Kim for his depth of knowledge and clinical experience that he brings to the Western Medicine Department.

We are now into week four of the quarter with Summer quarter registration just six weeks away. I am pleased to announce that we have a newly-added elective, EL 730\*, this coming Summer quarter with Tim O'Connor (see below). I'm also very happy to announce the return of Advanced Diagnosis with Dr. Ji Zhang and Traditional Herbal Preparations with Dr. Lorraine Wilcox (as part of the Classical Concentration). The course descriptions of these classes as well as their prerequisites will be posted on the student announcement board across from room A.

EL730 - Tai chi II Yang Style\*[Nei Gong] - Tim O'Connor

EL536 - East/West Spices and Herbs [East West Nutrition] - Dr. Sergei Shaginyan

EL528 - Traditional Herbal Preparations [Classics] - Dr. Lorraine Wilcox

EL 710 - Advanced Diagnosis I [Classics] - Dr. Ji Zhang

The Summer schedule will be posted today at 5 pm at [www.emperors.edu](http://www.emperors.edu). You can find your assigned registration day and time on the library computer stations.

Anyone who is taking the Comprehensive or Pre-Clinical (Mid-Curriculum) exam in June at the end of this Spring quarter should already be registered. Please make an appointment with our Associate Dean. I recommend that each of you check in to get an update on where you are in your program: [www.emperors.edu/masters-program/current-students/calendars-and-schedules](http://www.emperors.edu/masters-program/current-students/calendars-and-schedules).

Please come and see me to talk about any questions you may have about our amazing Concentrations experience and how you can be a part of it. We've had such great positive feedback from the current students as well as our past participants who have completed the Korean, Classical and Nei Gong Concentrations over the years.

Also remember:

Optimism is essential to your studies as it is the foundation of your true Shen.
