

Dear Members of the Emperor's College Community:

The dragon and the tiger are symbolic in the I Ching, the Book of Changes, representing different approaches to seasonal energies. These two energies can be seen as "the ascent of the dragon lines" and "changing like a tiger"; thus after summer solstice the yang energies start to wane--it is the yin energies that need to be nourished...

A New Elective in the Korean Concentration

Dr. Jin Kim will be joining me for a New Elective in the Korean concentration this Fall. It is the Korean Eight Constitutions developed by Dr. Dowon Kuon, based on the famous Korean monk Sa Am and also on the teachings of the father of Korean Constitutional Medicine, Dr. Jae Ma Lee.

The highly popular elective, EL770, Pain Management and Treatment with Advanced Auricular, will return this Fall with Dr. Adler.

Derek Plonka, DPT, LAc, who is a DAOM Faculty and Capstone Advisor, will be expanding his teachings in the Bio Medicine department this Fall quarter.

Dr. Gretchen Badami, who was on maternity leave since last Fall, will be returning and teaching in the Pharmacopeia series—let's please give her a great welcome back and congratulations on the birth of her son Ananda.

Dr. Ji Zhang will be on sabbatical this Fall quarter and will be returning in the Winter quarter. A big "Thanks!" to Dr. Helena Zhang for teaching the Advanced Formula class and to DAOM candidate Rachael Garcia for the TCM Dermatology class.

Fall Quarter Electives:

The following elective course descriptions as well as their prerequisites will be posted on the student announcement board across from Room A.

EL142 - Art of Meditation - Dr. Brendan Armm

EL770 - Pain Management & Treatment with Adv. Auricular (Dr.Nogier) - Dr. Jacqueline Adler

NEW ELECTIVE: EL642 - Korean Eight Constitutions - Drs. Jin Kim & Jacques MoraMarco

EL866 - Mind Body Medicine - Dr. Sergei Shaginyan

The schedule will be published on [www.emperors.edu](http://www.emperors.edu) on Thursday, July 25, at 5pm. You can find your assigned registration day and time on the computers in the library.

Our Associate Dean, Bruce Gustafson, DAOM Fellow, is looking forward to seeing many of you for counseling during the next few weeks. I recommend that each of you check in with him to get an update on just where you are in your program and to be sure you are planning your course schedule in accordance with the prerequisites and any of the Concentration tracks. Please contact Marcia for a time for counseling with Bruce. The recommended course sequence can be found at:
