

HEERF III Quarterly Report – March 31, 2022

Higher Education Emergency Relief Fund (HEERF) provides funding to institutions of higher education to be distributed to students in the form of emergency grants. The funds are to help students with expenses related to the disruption of campus operations due to coronavirus. The Department of Education (ED) has required institutions receiving these funds to make certain disclosures. The disclosures are as follows:

1. Emperor's College has signed and returned to the Department of Education the Certification and Agreement, which includes assurance that Emperor's College has used the funds received to provide Emergency Financial Aid Grants to students.
2. The total amount of funds that the institution has received for Emergency Financial Aid Grants to students is \$75,073.
3. During January to March 2022, the College disbursed \$35,991 dollars.
4. The estimated total number of students at the institution who are eligible to receive Emergency Financial Aid Grants is 194.
5. The total number of students who have received an Emergency Financial Aid is 81. Students received between \$211 and \$631 depending on the responses on the emergency grant application.
6. To determine which students received Emergency Financial Aid Grants, Emperor's College asked enrolled students to complete an application for COVID-19 emergency assistance. The amount each student received was calculated based on the responses on the emergency grant application.
7. The institution advised students that they must use the funds for costs related to the disruption of campus operations due to coronavirus, including any component of the student's cost of attendance, and emergency costs related to the Coronavirus pandemic.
