### **Attendance policy**

- **Successful completion of the education programs at Emperor's College requires a significant commitment of time for coursework and outside study. Attendance is required at all times, as only complete attendance in all coursework will enable a student to benefit fully from instruction of subject matter and discussion extending beyond the scope of course texts and practical clinical experiences. Any student who fails to attend at least 80% of the course (separate from any other course requirements) will receive an "F" for the course.**

**Leave for military duty is permitted as long as the student will miss no more than 25% of the total number of course meetings. Documentation must be supplied to the Academics office. Tardiness Policy Tardiness policies may vary by class. Please refer to the respective class syllabi for more information. A student enrolled in a course is responsible for all course assignments or requirements that are due regardless of whether the student is present or absent from the scheduled course. Students are responsible for being aware of their own attendance for each course in which they are enrolled in order not to exceed the maximum absences allowed.**
